

Islington Integrated Schwartz Rounds

All Islington and Haringey

health, social care and voluntary sector staff
are invited to attend the Schwartz Rounds
(clinical and non-clinical staff)

Schwartz Rounds are a multidisciplinary forum designed for staff
to come together once a month to discuss and reflect on the
emotional and social challenges associated with working in healthcare.
Rounds provide a confidential space to reflect in and share experiences.
Attendees will receive a certificate of attendance with
1 hour CPD for each round attended.

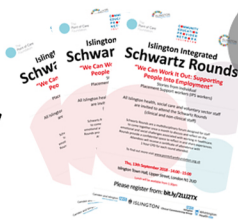

To find out more visit www.pointofcarefoundation.org.uk

Please register your place for a round using the links provided in the table below.
Please note the topics of the rounds will be shared once confirmed.

Lunch will be available from 1:30pm

23
multidisciplinary
rounds were held
(between Apr 2016 - Sep 2018)

Fantastic to
hear about
other professionals'
experience

643
staff
attended

(28 staff per round on average.
Most attended staff groups are
Nurses/Midwives (20%), Social
Workers (12%), Psychologists (20%)

 **90%** - Percentage of
feedback forms returned

Always find
the rounds a
great place to reflect,
feel acknowledged
and supported to
know how difficult
our job can be

Islington Integrated Schwartz Rounds

Sometimes as
community practitioners
we can feel isolated due
to the nature of our roles.
Having an opportunity to
share experience
reminds us that we
are not alone

 **80%** said
they would
recommend
Schwartz
Rounds to
colleagues

65% said they
have now a better
understanding of
how their colleagues
feel about their work

76% said they are planning
to attend Schwartz Rounds again

Valuable
to discuss
emotional aspects
as this is often
not addressed
