

Islington & Haringey Integrated Schwartz Rounds

“A Good Death???”

All Islington and Haringey health, social care and voluntary sector staff are invited to attend the Schwartz Rounds (clinical and non-clinical staff)

Schwartz Rounds are a multidisciplinary forum designed for staff to come together once a month to discuss and reflect on the emotional and social challenges associated with working in healthcare. Rounds provide a confidential space to reflect in and share experiences.

Attendees will receive a certificate of attendance with 1 hour CPD for each round attended.

To find out more visit www.pointofcarefoundation.org.uk

30 multidisciplinary rounds were held (between Apr 2016 - Nov 2019)

Fantastic to hear about other professionals' experience

818 staff attended

(27 staff per round on average. Most attended staff groups are Nurses/Midwives (20%), Social Workers (12%), Psychologists (20%)

90% - Percentage of feedback forms returned

Islington Integrated Schwartz Rounds

Always find the rounds a great place to reflect, feel acknowledged and supported to know how difficult our job can be

Sometimes as community practitioners we can feel isolated due to the nature of our roles. Having an opportunity to share experience reminds us that we are not alone

87% said they would recommend Schwartz Rounds to colleagues

78% said they have now a better understanding of how their colleagues feel about their work

84% said they are planning to attend Schwartz Rounds again

Valuable to discuss emotional aspects as this is often not addressed
