

# APPRENTICESHIPS

We are an apprenticeship provider with expertise in the successful delivery of apprenticeships from design, recruitment, engagement to teaching.

**Apprenticeships** are structured national training programmes supported financially by the government, which give your staff a chance to work towards a qualification.

Apprenticeships can be used as part of your business plan to help you achieve a future proof workforce. They are employer driven: you know best when it comes to the skills and knowledge required for your services.

Through apprenticeships you can offer your current workforce opportunities to:

- Re-train and upskill to meet the service demand
- Support career pathways to ensure you have the right people, in the right place, with the right skills at the right time
- Develop great leadership capabilities across your organisation

## Why Choose Us?

We have a wealth of experience delivering high quality apprenticeships; our approach is to work with you as employers to ensure our bespoke training meets your needs and priorities in line with your business objectives.

We will work in partnership with you to ensure your apprenticeship programme achieves a real return on investment.

We have a unique take on off the job hours. We base our strategy on teaching apprentices reflective practice using experiential learning techniques. This cuts down the need for weeks of written set work and increases the skills and performance of the apprentice on a weekly basis.

All programmes are delivered through live webinars, virtual training sessions, conference calls and online learning tools.

With a variety of apprenticeships and delivery options, we can offer a training solution that suits your needs and builds on existing training taking place.

**We take pride in all that we deliver and are ready to support your business in your apprenticeship journey.**

For more information, please call our Apprenticeship Lead Simon Forzani on **077 8818 4927** or email: [apprenticeships@communitymatters.co.uk](mailto:apprenticeships@communitymatters.co.uk) and we will be delighted to answer any questions you may have.
